

Chromebook 8+8 Charging Cabinet

Desktop charging stations for smaller laptops

A compact charging cabinet with 2 independently lockable doors for 16 Chromebooks & laptops. Suitable for most Chromebooks & tablets with up to 14" screens and all 13" laptops - but please check shelf dimensions before ordering). Sits on any desk, storage unit or work top.

Key features:

- Two separate 8 bay device compartments providing storage for 16 laptops
- AC adapters and cables are stored in the centre electrical compartment.
- Device power cables can be set to length & secured using the unique **zioxi** cable ports, so only a short length of cable is provided to each shelf, leaving each compartment tidy & ready to use
- Soft start power management fitted as standard
- Doors fold back 270 degrees and are retained for easy shelf access
- Key, digital code and RFID lock options
- Smooth, easy to clean surfaces
- Fixing points to enable the cabinet to be secured to a surface or wall (but not wall mounted)

CHRG-CB-8+8-K	16 bay Chromebook & Laptop Charging Cabinet with key locks.	90W x 45D x 46H
CHRG-CB-8+8-C	16 bay Chromebook & Laptop Charging Cabinet with digital code locks.	90W x 45D x 46H

Chromebook 8+8 Charging Cabinet

Shelf dimensions:

The Chromebook 8+8 charging cabinet is designed to accommodate most Chromebooks and tablets with up to 14" screens and laptops, ultrabooks and netbooks typically up to 13.3" screen sizes. The shelf aperture size is 400d x 245w x 46h (mm) - always best to check your device & any case dimensions (including with the power connector plugged into the device) before ordering.

Construction	White melamine-faced MDF carcass & doors, silver grey electrical compartment cover and extruded shelves
Power	Requires 1 power socket (UK, EU and others). Supports device AC power adapters with UK and EU plug formats, others by request. <i>(Individual devices AC power adapters & cables are required but not included. We recommend the use of manufacturer supplied power adapters and cables to ensure the safe delivery of the correct power).</i>
Warranty	5 years (2 years for electronics)
